

Archival Print Material:

Image size (inches)	Mat/Frame size	Loose print Premium Luster Photo Paper	Loose print Canvas	Matted White	Matted & Framed
9.25X14	16X20	\$ 195.00		\$ 235.00	\$ 295.00
12X18	18X24	\$ 225.00		\$ 265.00	\$ 325.00
14X21	20X27	\$ 265.00		\$ 295.00	\$ 365.00
16X24	24X30	\$ 365.00		\$ 395.00	\$ 475.00
20X30	28X38	\$ 495.00		\$ 525.00	\$ 595.00
27X40	35X48	\$ 625.00		\$ 665.00	\$ 765.00
34X51		\$ 725.00			
40X60		\$ 825.00			

Print sizes: Custom sizes are available. This could entail some cropping of the image to achieve the desired proportion. The cost of a custom size is priced at the cost of the nearest next size up on the above price structure. Murals from 40X60 up to just about any size imaginable can also be ordered on a variety of substrates. Please ask for quotes.

Matting: All Premium Luster Photo Paper prints up to through 27X40 can be ordered matted. The print is attached to with a pH neutral tape at the top to archival acid free 3/16 Gator Foam board. By attaching the print only at the top only, gravity holds it straight through all kinds of humidity and temperature changes.

Framing: Matted prints may be ordered with a matte black square profile metal section frame (Nielsen #50-21) for a classic, clean treatment that provides a clear separation of the framed piece from any wall color while complementing any color (or black & white) tones in the photograph. Framing prices include regular glass. Specialty glasses (non-glare, 97% UV protection, plexiglas) at additional costs may be specified.

Displaying Your Photographs: To ensure the longevity of your photograph please be sure that it is framed behind glass or plexiglass, and that the photograph will not be exposed to direct sunlight or continuous fluorescent light. If it will be displayed in a bright room that receives a lot of indirect sunlight or where there is continuous fluorescence, we would suggest you frame it using a conservation glass with UV filter at an additional cost. If the photograph will be hung in an area that causes a lot of glare, we can provide you with a non-glare glass (regular or UV) at an added cost.

Shipping: All shipped orders will be professionally packed. A street address and not a Post Office Box must be supplied for shipment. Costs to cover packing, shipping and insurance are approximately 15% of

the photograph order. If you are ordering in quantities that can be shipped in one package or loose prints in tubes, your shipping charges will be less. Exact shipping costs will be emailed to you for your approval after we receive your order.
